URGES SPEEDING UP OF PUBLIC WORKS BILLS KILL BANK CASHIER AND GET \$95,000 SUGGESTS FORMING FEDERAL COAL BOARD

ARBITRATE MEDIATION WOULD HANDLE ALL DIFFERENCES

DALETON, Jan. 31.—(AP)—The House today passed a bill to create a federal board of arbitration and mediation to handle all labor disputes. The bill, which is part of a larger package of public works legislation, is expected to pass the Senate as well. The new board would be composed of representatives from both labor and management, and would have the authority to appoint arbitrators to settle disputes. The bill also provides for the establishment of a federal mediation service to assist in the resolution of disputes before they reach the arbitration stage. The legislation is part of a broader effort by Congress to stimulate economic activity and create jobs through public works projects.

FARM MEETING WAXES WARM IN FIERY DEBATE

DALETON, Jan. 31.—(AP)—A meeting of the National Farmers' Union in Daleton today was a scene of intense debate over the proposed federal farm loan bill. Supporters of the bill argued that it would provide much-needed relief for farmers by increasing the availability of credit. Opponents, however, claimed that the bill would be detrimental to the interests of the farming community. The debate was particularly heated over the issue of whether the bill should include provisions for the regulation of farm prices. The meeting ended without a decision, but it was clear that the issue remains a top priority for the organization.

HEAVIEST SNOWFALL, 20 YEARS

DALETON, Jan. 31.—(AP)—A heavy snowfall of up to 10 inches fell in Daleton today, marking the heaviest snowfall in 20 years. The snow arrived in the early morning hours and continued to fall throughout the day. The weather service issued a winter weather advisory, warning of slippery roads and possible power outages. The snow was particularly heavy in the downtown area, where it reached a depth of 8 inches. The snowfall was a welcome sight for many residents, who had not experienced such a heavy snowfall in decades. The snow is expected to melt by tomorrow, but it may leave behind a layer of ice that could cause difficulties for drivers.

PART OF CASH FROM BANK IS FOUND LATER

DALETON, Jan. 31.—(AP)—A portion of the cash stolen from the First National Bank in Daleton last week has been found. The cash, which was valued at \$95,000, was discovered in a hidden compartment of a car that was found in the city. The car was found by a police officer who was conducting a routine traffic stop. The officer noticed a suspicious package in the back seat of the car and opened it to find the stolen cash. The car was then towed to the police station, and the cash was turned over to the bank. The police are still searching for the other portions of the stolen cash, which are valued at over \$100,000. The case has not yet been solved, and the police are appealing for information from the public.

PRESIDENT REQUESTS ALL EMPLOYING INTERESTS TO RELIEVE UNEMPLOYMENT

DALETON, Jan. 31.—(AP)—President Franklin D. Roosevelt today urged all employers to do their part to relieve unemployment. In a statement issued by the White House, the president called on employers to hire more workers and to provide training for unemployed workers. The president said that the government was doing everything it could to create jobs, but that it needed the cooperation of the private sector to make a significant impact. He urged employers to consider the needs of the unemployed workers and to do what they could to help them. The president also called on employers to provide training for unemployed workers, so that they could gain the skills and experience needed to enter the workforce. The statement was part of a broader effort by the government to stimulate economic activity and create jobs through public works projects.

UNDERWOOD REQUESTS WEEKS TO ACCEPT THE FORD SHOALS OFFER

DALETON, Jan. 31.—(AP)—Secretary of the Interior Harold I. Underwood today requested several weeks to accept the offer made by the Ford Shoals company. The offer, which was made last week, was for the company to purchase the Ford Shoals dam and power plant. Underwood said that the offer was a significant one, and that he needed time to review it and to consult with the relevant departments. The Ford Shoals company is a major industrial concern, and its purchase of the dam and power plant would have significant implications for the local economy. The company has been in negotiations with the government for some time, and the offer represents a major step forward. Underwood said that he would keep the public informed of the progress of the negotiations.

FREEZE IN NORTH FLORIDA TONIGHT IS QUITE LIKELY

DALETON, Jan. 31.—(AP)—A freeze in north Florida tonight is quite likely, according to the weather service. The service issued a freeze warning for the area, stating that temperatures could drop to below freezing. The warning was issued for the area between Daleton and Tallahassee. The service said that the freeze was caused by a cold front moving through the area. The freeze could cause difficulties for farmers and for those who rely on outdoor heating. The service advised people to take precautions to protect their property and themselves from the cold. The freeze is expected to last through the night, with temperatures rising slightly in the morning.

WIRE COMMUNICATIONS IN AREA CRASHED NORTH OF JAIL COLD TONIGHT, TOO

DALETON, Jan. 31.—(AP)—Wire communications in the area crashed north of the jail tonight, and a cold front is expected to hit the area tomorrow. The crash of the wire communications was caused by a power outage, which was the result of a fault in the power lines. The outage affected a large portion of the area, and it took several hours to restore service. The cold front is expected to hit the area tomorrow, with temperatures dropping to below freezing. The weather service issued a freeze warning for the area, stating that temperatures could drop to below freezing. The freeze could cause difficulties for farmers and for those who rely on outdoor heating. The service advised people to take precautions to protect their property and themselves from the cold. The freeze is expected to last through the night, with temperatures rising slightly in the morning.

BLAME OF CRISIS IN AGRICULTURE LAD TO HARVESTER COMPANY

DALETON, Jan. 31.—(AP)—The blame for the crisis in agriculture is being laid on the Harvester company, according to a report from the local farming community. The report said that the company had failed to provide the necessary support and resources to the farmers, and that it had been responsible for the current crisis. The farmers claimed that the company had promised them certain services, but had failed to deliver on its promises. They said that the company had been slow to respond to their needs, and that it had been uncooperative in its dealings with them. The report also claimed that the company had been responsible for the loss of many jobs in the farming community. The farmers are now demanding that the company be held accountable for its actions, and that it be forced to provide the necessary support and resources to the farmers.

LETTER ADDRESSED TO AN MEMBER OF CONGRESS STATES VIEW

DALETON, Jan. 31.—(AP)—A letter addressed to a member of Congress today stated the view of the local farming community on the current crisis in agriculture. The letter, which was signed by a group of farmers, expressed their frustration with the government's handling of the crisis. They said that the government had failed to take the necessary steps to provide support and resources to the farmers, and that it had been slow to respond to their needs. The letter also claimed that the government had been uncooperative in its dealings with the farmers, and that it had been responsible for the current crisis. The farmers are now demanding that the government be held accountable for its actions, and that it be forced to provide the necessary support and resources to the farmers. The letter was sent to the member of Congress, who is known for his support of the farming community. The farmers hope that the letter will prompt the government to take the necessary steps to provide support and resources to the farmers.

GOVERNMENT SELLS NINE OLD WARSHIPS AT QUARTER MILLION

DALETON, Jan. 31.—(AP)—The government today announced that it had sold nine old warships for a total of \$1,000,000. The ships, which were built during World War I, were sold to a private company for use as targets. The government said that the sale was part of a broader effort to reduce the federal budget and to generate revenue. The ships were sold at a price of \$111,111 each, which is a significant profit for the government. The private company, which is based in Daleton, said that it was pleased to purchase the ships, and that it would use them as targets for its fleet. The company also said that it would donate the ships to a local charity after they had been used as targets. The sale of the ships is expected to generate a significant amount of revenue for the government, and it is hoped that it will help to reduce the federal budget.

MAJOR CO. CLERK IS HELD UP; \$100,000 MISSING FROM SAFE

DALETON, Jan. 31.—(AP)—A major company clerk was held up today, and \$100,000 was missing from a safe. The clerk, who was working at the company's headquarters, was stopped by a group of men who demanded that he hand over the money. The clerk refused, and the men threatened to kill him. The clerk then fled, and the men followed him. The clerk was eventually caught by the police, and the money was found. The police are now investigating the case, and they are appealing for information from the public. The case has caused a great deal of concern in the community, and it is hoped that the police will be able to identify the men who held up the clerk.

TROOPS WILL BE TRANSFERRED TO QUANTANAMO, SAID

DALETON, Jan. 31.—(AP)—Troops will be transferred to Quantanamo, according to a report from the local military community. The report said that the troops, who are currently stationed in Daleton, will be moved to Quantanamo in the near future. The troops are being moved as part of a broader effort to reduce the federal budget and to generate revenue. The report also said that the troops will be used to guard the Quantanamo prison, which is a major federal facility. The local military community is pleased to hear that the troops will be moved to Quantanamo, and they are hoping that the move will help to reduce the federal budget.

STATE'S CASE IN TRIAL OF OLPIRE IS CLOSED AT ATLANTA

DALETON, Jan. 31.—(AP)—The state's case in the trial of Olpire was closed today at Atlanta. The trial, which has been ongoing for several weeks, is now in the hands of the jury. The state's case was presented by the prosecution, and it was heard by the judge. The judge said that the case was well presented, and that he was satisfied with the evidence. The jury is expected to return a verdict in the case in the near future. The trial has been a major event in the community, and it is hoped that the jury will be able to reach a fair and just verdict.

ability of the Auditorium management in securing world-renowned stars, but is a reflection on the high standard of tourists and residents in this community who demand and receive the best. Financial success of these three concerts will insure others of equal fame in another year. It is an opportunity to support high class entertainment which in turn will bring to the community others of equal fame.

LESSONS ON EATING FROM STEFANSSON.

Vegetarians are shocked to learn from Vilhjalmur Stefansson, Arctic explorer, who will be the attraction at the Auditorium next Friday night, that he and two trapper-companions lived two years eating nothing except seal meat.

This happened on Stefansson's last scientific expedition on the great sheet of ice that forms constantly near Alaska and, moving 15 miles a day, travels on up over the North Pole, then southeast 400 miles until it is melted as it strikes the Gulf Stream in the Atlantic Ocean.

For two years Stefansson and his two followers tasted no vegetables. They had seal meat for breakfast, lunch and dinner—nothing but seal meat, for two whole years.

Dieticians predicted that the three explorers would perish unless they had a balanced diet, vegetables for carbohydrates, mixed with the protein of meat.

An exclusive meat diet, they told Stefansson, would kill any man. They said they knew this because they had tried it on a guinea pig!

How would you like to have nothing to eat except seal meat, for 730 days—two years?

After living on seals a week, the explorers lost their appetites. Even the thought of a seal made them gag.

Several days without food. Then seal meat began to smell good. After that, appetites returned and thenceforth no one hesitated when the cook whistled.

Lord Strathcona, builder of the Canadian Pacific Railroad, for years ate only one meal a day. And that meal was always the same. At 96 he was doing two men's work and helping run the British government in his spare time.

He never tired of that unchanging menu. Why should he? Chinese never tire of rice, nor Scotchmen of oatmeal nor Norwegians of herring.

Craving for a change of food is due to a palate that is jaded by variety, not by monotony.

From Stefansson's experience, learn two important things about food:

First: People take on the characteristics of what they eat. Stefansson says he ate so much seal meat that the probably began to smell like one, for polar bears scented him and his companions ten miles away.

Second: A diet of nothing but meat worked all right in the frozen north, due to severely cold weather and the explorers' hard work. In a warm climate the same diet would kill. It would be doubly deadly for the indoor worker who doesn't get much exercise.

PAVING NOTICE TO PROPERTY OWNERS

Being engaged under contract with the City of Daytona on street paving now under course of construction, we are at this time signing contracts with private owners of property for the laying of smooth pavement, required, street paving with private driveways or garages, or to widen the street pavement in front of private property, work to be done under the city's specifications and under inspection of the city's engineers.

Price for this work is identically the same as the city secured by competitive bidding.

Our price to the city is 21c per lineal foot for integral concrete and our price to the city for sheet asphalt pavement on a 4-inch aggregate concrete foundation would be \$2.65, and for sheet asphalt pavement on a 4-inch aggregate concrete foundation would be \$2.83 per square yard.

The same aggregate, that is, either concrete or asphalt is to be used for concrete foundation, as may be used by the city on the street in front of your property.

In some cases the owner might want the road to be wider than 4 inches, and if this be so, there would be an extra charge for the extra width with our prices made the city.

The city pays us 50c per cubic yard for the 4-inch aggregate, and this would not cost over 12c per square yard.

If any drainage is necessary, and required by the city, we will design by us, and to be paid for at the prices contained in our contract with the city.

Although the city will not lay any sub-base, we will lay it for you, yet we made the city a price on a 4-inch aggregate concrete foundation and if you should desire a concrete road we will lay it for you, and if you should decide that you wanted the road 4 or 6 inches thick, we would reduce our price accordingly.

If you desire this work done we will remove the old asphalt, and lay the concrete while we are laying the concrete foundation, and lay the sheet asphalt top on your yard when you want it, and the city will pay for it.

The engineers for the city will furnish us with a plan of the work done for you and its value at cost and we will invoice you with the engineer's certificate attached.

Contracts may be signed at our local office at any time.

The city pays us 50c per cubic yard for the 4-inch aggregate, and this would not cost over 12c per square yard.

If any drainage is necessary, and required by the city, we will design by us, and to be paid for at the prices contained in our contract with the city.

Although the city will not lay any sub-base, we will lay it for you, yet we made the city a price on a 4-inch aggregate concrete foundation and if you should desire a concrete road we will lay it for you, and if you should decide that you wanted the road 4 or 6 inches thick, we would reduce our price accordingly.

WINTER RESORTS

HOTEL CLARENDON

Mr. and Mrs. Oliver Crosby, of St. Paul, Minn., have joined their friends, Mr. and Mrs. E. J. Johnson, of Chicago, at the Clarendon, and will remain there for the rest of the season.

Miss G. R. Cashman, of New York, and Mrs. F. A. Hardee, of Madison, Fla., motored over from Madison and are guests of the Clarendon for several days.

Mrs. R. C. Vivian and daughter, Miss Emily Vivian, of Springfield, Mass., have joined Mrs. Vivian's mother, Mrs. William E. Holt, and her sister, Miss Emily Holt, of Baltimore, at the Clarendon, where they will spend the season.

Herbert Turrell and M. H. Ober, of New York, are at the Clarendon for their second visit this season, having returned from a trip to Palm Beach and Miami.

Charles H. Morse, with a party of six friends, motored down from Ormond for dinner Wednesday evening and remained for the dance which followed.

Mr. and Mrs. John B. Rock, who are winter guests of the Clarendon, entertained a party of fourteen friends at dinner at the Clarendon last night. Most of those attending the dinner are guests of the hotel.

HOTEL MORGAN

Always on the alert to provide his guests with diversion to while away the time, Manager Hunt of the Morgan house has just completed a golf clock so that those who do not care to go to the regular links can still keep in practice right at home. This clock has been laid out back of the Morgan Annex and is the scene of daily practice by many of the Morgan's guests.

A full house is still the order and new arrivals picked many weeks ago take the place of the transients who stay for a day or two. Soon the house will be filled with regular season guests who have been coming to this popular hotel for many years.

Among the recent arrivals are the Messrs. J. E. and M. Louise Williams of Savannah, Pa., who have been coming to the Morgan for many years.

A congenial dinner party enjoyed at the sumptuous meals that the Morgan is noted for, was composed of Mr. and Mrs. F. W. Grant, Mr. and Mrs. Clark and Dr. and Mrs. J. B. Hone, all of Ufa, N. Y.

Mrs. P. M. Laughlin of Boston is a guest for a week and will now go to Seminole Inn for the balance of the season.

SEASIDE INN

D. E. Sealey and family, of Ann Arbor, Mich., who are winter guests of the Seaside Inn, have returned from a motor trip to the west coast and several days for points.

Mr. and Mrs. Alfred E. Sealey, of Lake Mohonk, N. Y., where Mr. Sealey owns the Lake Mohonk Hotel, came from Lake Mohonk, Fla., where they are spending the winter, and were guests at the Seaside Inn Wednesday night. They were accompanied by Mr. and Mrs. Edward E. Sheldon of Albany, N. Y.

The principal purpose of their trip was to see the famous Daytona beach, but as the beach was practically covered by the breakers during their stay they were greatly disappointed.

HOTEL RIDGEWOOD

Mrs. Henry Bridgeman, of Duluth, Minn., has arrived at the Ridgewood for the season, and will be joined later by her husband.

Mr. and Mrs. C. A. Fickey, of Day-
esport, Ia., are spending several days at the Ridgewood.

Mrs. Charles W. Wright and children, of Rockford, Ill., are at the Ridgewood and expect to take a cottage for the season.

Mrs. E. A. Cass, of Cleveland, who is well known in Daytona, is again at the Ridgewood for the winter.

Mr. and Mrs. H. J. Haas, of Atlanta, who are motoring to Palm Beach, are spending a few days at the Ridgewood.

Mr. and Mrs. Edward C. Clarke and Miss Estelle M. Mulligan, of Brooklyn, are at the Ridgewood for a stay of three weeks. Mr. and Mrs. Clarke spent their honeymoon at the Ridgewood three years ago.

Other arrivals at the Ridgewood include Mr. and Mrs. Newton S. Gardner, of Providence, R. I.; Mr. and Mrs. Nathan Marz, of New Orleans; Mr. and Mrs. C. A. Willets, and Miss Willets, of Flushing, N. Y.

Dr. and Mrs. Will Gardner, of the Waldorf-Astoria in New York, are expected today at the Ridgewood for the season. Dr. Gardner is former champion trap shooter and has many friends here, where he has been spending the winter for several years.

Dr. and Mrs. D. A. Hawley, of Burlington, Vt., regular winter guests of the Ridgewood, also are expected soon.

Mr. and Mrs. Chester W. Rich and daughter, of Boston, are due to arrive at the Ridgewood January 30. Mr. Rich is a leading wool broker of Boston, and is a crack golf player, having won the cup in the tournament played last winter on the Clarendon course.

Dr. and Mrs. George Hickey and son, of Southampton, Mass., also well known in Daytona, are expected at the Ridgewood in a few days.

HOTEL ORMOND

The second match round in the annual Tomoka sweepstakes on the Ormond Beach links, which was scheduled for today, was postponed until tomorrow, because of the weather.

In the first match round Wednesday some of those who had been picked to win fell by the wayside. Including N. B. Perkins, of Williamsburg, who has won this even several previous years, Herbert Tutwiler, of Birmingham, who won the qualifying round with an 88, was a victor yesterday over J. R. Gonsley, of DeBham, 6 and 5. J. P. Adair, of DeBham, who was second in the qualifying round, also won his match yesterday, and he and Tutwiler are picked to reach the finals.

Mrs. Chas. H. Morse, Miss Mabel Oakes and Miss Ruth Jones motored over from Winter Park and were luncheon guests at Hotel Ormond yesterday.

Dr. George A. Taylor, accompanied by his mother, Mrs. Wm. Sinclair, of New York, are at the Ormond, enroute to Miami by motor. They will return to spend March at Ormond.

John Z. Speer and Mrs. William Mercut, of Pittsburgh, Pa., annual season visitors, were warmly welcomed by their many Ormond friends yesterday.

Other arrivals include Mr. and Mrs. John W. Anderson, of Detroit, Mich.; Mr. W. H. Matthews, of Rochester, N. Y.; Mr. and Mrs. F. R. Smith, of Toronto, Ont.; Mr. and Mrs. J. L. Kottolus, and Mr. and Mrs. T. M. Liversey, of St. Augustine, Fla.

HOTEL DESPLAND

One of the most enjoyable card parties this season was that given by Mrs. E. Barry at the Despland when a number of guests played nine tables of bridge and other games during the evening. Refreshments were served at a late hour after the prize winners had been announced. Handsome prizes were awarded to the following: Mrs. Tripper, Mrs. Moroney, Mrs. Warden, Mrs. Briggs, Mrs. Thompson, Mrs. Westgate, Mr. Stearns and Mr. Sigler.

Recent arrivals are R. A. Wilson of Atlanta, Mr. and Mrs. A. Fuchs of St. Louis, Mo.; Miss M. S. Nenechea of Cleveland, Mr. and Mrs. J. W. Harrison of Atlanta, Ga.; Mr. and Mrs. H. E. Carpenter, accompanied by Lester Salisbury of Ridgewood, N. Y.; Mr. and Mrs. C. C. Hanger of Indianapolis, C. W. Morrill of Brooklyn, N. Y.; Rev. and Mrs. H. Fields Summerer of Rome, Ga.; Mr. and Mrs. Al H. Greene of New York City. Mr. Greene is one of the big diamond dealers in New York City.

Dr. Roy Outtherton of the U. S. Navy accompanied by Miss Ida May Outtherton were dinner guests Thursday evening.

HOTEL HAMILTON

W. B. Edmonstone, tax collector of St. Augustine and J. M. Parkhill also of St. Augustine, were among the motorists who stopped at the Hamilton for a day or two while on their way south. Mr. Parkhill is one of the largest real estate operators of St. Augustine and Chicago, making a specialty of buying large tracts of land and then colonizing them with farmers from the north-west and Canada. Only recently Mr. Parkhill bought 3000 acres of land near Hammock for colonization purposes and during this coming spring will bring several railroad carloads of prospective buyers from the Northwest down this way who no doubt will buy and settle down to real Florida farming.

Others registered at this popular hotel include R. E. Leonard, of J. May and H. D. Barr, of Atlanta, E. Horner and E. Jones of the Ford, Ill.; L. H. May of Albany, Ga.; C. H. Bridges of Petersburg, Va.; A. W. Browning of Richmond, Va.; W. E. High of St. Louis, La. P. Lahrman of Cincinnati, T. M. Cox of Jacksonville; M. E. Duke of Atlanta, L. P. Hall, Jr. and C. G. Wilson of Tampa who will stay for a few days before going for their north.

ORMOND

ORMOND, Jan. 27.—Thomas H. Heston and family, of St. Augustine, Fla., are at the Ormond, enroute to Miami by motor. They will return to spend March at Ormond.

Vernon Reed, who owns a home on Tomoka avenue and who is visiting his sister, Mrs. W. B. Young, Hugo Miss narrowly escaped a serious accident Wednesday when, carrying to avoid a collision, he was turned over.

Seaside High School played the Ormond ball team at the Ormond Ormond grounds Saturday. The high school boys won the game. The Seaside people of Ormond held a ball at the Y. T. A. Saturday evening. The Seaside people applied themselves and are looking forward to having regular games this winter.

A heavy meeting was held Tuesday evening in the auditorium of the public school building for the purpose of discussing the proposition of having a public high school building in the town. The meeting was well attended and a number of suggestions were made.

Mr. and Mrs. J. Y. Thompson, of Daytona, are expected today at the Ormond, enroute to Miami by motor. They will return to spend March at Ormond.
